ORDER

This cause is before the court on defendants' application for review of the July 18, 2005 order of the magistrate judge granting plaintiff's motion to compel production of documents. Plaintiffs have responded in support of the magistrate judge's ruling. The court, having reviewed the subject materials and having considered the parties' arguments and applicable authorities, concludes that the application for review should be denied.

Accordingly, it is ordered that the application for review is denied.

SO ORDERED this 9<sup>th</sup> day of November, 2005.
